

REMARKS

Upon entry of the instant amendment, claims 1-7, 10-12, 14 and 16-30 will remain pending in the present application.

Applicants appreciate the Examiner sending the Advisory Action dated August 29, 2008, where only claim 13 has been rejected and the remaining pending claims are allowed. In the instant amendment, claim 13 has been cancelled. Thus, the instant amendment puts the pending claims in condition for allowance and into a more proper format for issuance in a United States patent, by overcoming all outstanding rejections and objections of record.

Accordingly, proper consideration of each of the pending claims is respectfully requested at present, as is entry of the present amendment.

CONCLUSION

Based upon the amendments and remarks presented herein, the Examiner is respectfully requested to issue a Notice of Allowance clearly indicating that each of the pending claims are allowed.

Should there be any outstanding matters that need to be resolved in the present application, the Examiner is respectfully requested to contact Toyohiko Konno (Reg. No. L0053) at the telephone number below, to conduct an interview in an effort to expedite prosecution in connection with the present application.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 02-2448 for any additional fees required under 37 C.F.R. §§ 1.16 or 1.17; particularly, extension of time fees.

Dated: SEP - 8 2008

Respectfully submitted,

By
